

Sew and Go

£5 per hour

The drop in sewing centre

Have you ever had a hem that needed fixing, or curtains that should be altered or maybe another small sewing tasks that you know you can do yourself but either don't have the equipment or the confidence to undertake? Sew and go is a great new concept in getting you going on your project with as little or as much help as you need using top of the range and easy to use sewing equipment.

Based in the **Victory Business Centre** (next to Asda in Fratton) in the bright and airy sewing studio, for just £5 per hour you can use the sewing machines, the large cutting out table or relax on the comfy sofa for a bit of hand sewing. The drop in times are on *Wednesday, Thursday & Friday from 9.30am—5pm*, with booked appointments on *Saturday afternoons and all day Sunday*.

If you haven't learnt to sew and would like to have a go, a member of staff will help you get started and be there to help you if you get stuck. The more experienced can visit purely for the company of like minded people and to be inspired with varied sewing projects.

Sew and Go
